
AGENDA
INYO COUNTY/LOS ANGELES DEPT. WATER & POWER
TECHNICAL GROUP

January 23, 2018 – 3:00 pm
LADWP Multi-Purpose Room, 300 Mandich Street, Bishop, California

The public will be offered the opportunity to comment on each agenda item prior to any action on the item by the Technical Group. The public will also be offered the opportunity to address the Technical Group on any matter within the Technical Group's jurisdiction during the public comment period.

Meeting Chair: Robert Harrington, Director, Inyo County Water Department

1. Public comments.
2. Runoff and operations update.
3. **Action item:** Consideration of operation of W400 for irrigation in 2018 pursuant to Inyo/Los Angeles Long-Term Water Agreement Section V.C.
4. Discussion of the establishment of a new Enhancement/Mitigation Project to supply water to Inyo County landfills.
5. Presentation and discussion of the feasibility study for water reclamation and use in Big Pine.
6. Presentation and discussion related to the Mitigation Plan and goals for the Five-Bridges Impact Area.
7. **Action Item:** Request to the Technical Group made pursuant to Water Agreement Section XXVI.B.1 to resolve issues outlined in LADWP's January 10, 2018 letter to the Inyo County to resolve the disagreement over questions surrounding the pumping test of Well W385R, including, but not limited to whether LADWP and Inyo County, acting through the Technical Group, jointly developed a monitoring program for Well W385R, as required by Section VI of the Long Term Water Agreement.
8. Adjourn.
